### Live Music Saturday, June 6

#### Anna de Leon

The club owner of Anna's Jazz Island. Per Nat Hentoff, her vocal stylings  
"exemplifies what will keep jazz alive." <http://cdbaby.com/cd/annadeleon>

#### Swoop Unit

This exciting band features seven of the hardest working and  
talented musicians the Bay Area has to offer. Their sound has its  
roots in Funk and Jazz, with tight horn arrangements and improvisa-  
tions you can dance to. Shades of New Orleans funk, the JB's, and  
Tower of Power.
